

TheHEALTHTrust

Access Wellness™

**A bold vision
for Silicon
Valley...**

**Becoming
the healthiest
region in
America!**

Born out of the sale of the nonprofit Good Samaritan Health and Hospital System to HCA (Hospital Corporation of America) in 1995, The Health Trust has a bold new mission and vision – to lead the community to advance wellness in order to transform Silicon Valley into the healthiest region in the country.

The Health Trust's programs, partnerships, collaborations and grantmaking activities are strategically focused on supporting those individuals and communities that do not have access to the health-related services and resources they need.

*Over the last decade,
The Health Trust has provided
more than **\$100 million**
of community benefit
through program services
and grantmaking activity.*

Programs of The Health Trust

AIDS Services

800+ HIV/AIDS clients served annually

The Health Trust operates the largest program in Santa Clara County for individuals and families living with HIV/AIDS. Services include: nursing and social work case management; emergency financial and housing assistance; food, including home delivered meals; home care; drop-in center; and AIDS education.

Children's Dental Services

3,000+ children receive dental care annually

The Health Trust provides no-cost preventative and restorative dental care to children from low income families. The dental services are offered at strategically-located clinics and through a Mobile Dental Clinic.

Family Health Insurance

5,000+ families insured

Bilingual specialists from The Health Trust help children and their families in Santa Clara County enroll in insurance programs that provide access to preventive health and dental care.

Community Health Promotions

1,000+ guests at health education "house parties"

The Health Trust reaches into the heart of communities by using a community health watch model that delivers health education in people's homes and encourages neighbors to help neighbors stay healthy.

Meals On Wheels

97,000 meals delivered annually

Respect, dignity and the ability to maintain their independence in their own home are the goals of seniors and adults with disabilities or serious health issues. Meals On Wheels brings nutritious, hot meals to their door, along with wellness checks, disaster packs and a friendly smile.

Community Partnerships

This past year, The Health Trust mobilized 3,000+ volunteers who provided over 40,000 hours of service to advance health and wellness throughout our community.

Administrative Support Services

The Health Trust shares its financial management expertise by providing back office accounting support, at or below cost, to many of the Silicon Valley's most notable nonprofits allowing them to focus their time and resources on delivering services to the community.

Grantmaking

The Health Trust makes grants to local community programs that focus on "upstream" wellness activities — access, education and preventive services that help individuals stay healthy.
